**Re: United States v. James Woodson
18 Cr. 845 (PKC)**

P. Kevin Castel
United States District Judge

Dear Judge Castel,

I write to request a three-week extension of James Woodson's surrender deadline, which is currently set for January 14, 2020. On November 26, 2019, this Court sentenced Mr. Woodson to one year and a day, for health care fraud, and ordered him to self-surrender. However, to date, we have not yet received Mr. Woodson's prison designation. I have repeatedly attempted to contact the BOP Grand Prairie designation center without success. I have also reached out to the Probation Department, but received no response. Mr. Woodson has several serious medical conditions and it will be much easier for him to make a smooth transition with his medical regime if he can report to his designated facility. For these reasons, we are requesting an extension of his surrender deadline.

I have contacted AUSA Louis Pellegrino about this lack of designation and our anticipated request, but he has not informed me of the government's position on this matter. Thank you for consideration of this request.

Respectfully submitted,

/s/ Sarah Baumgartel
